Contact EnggLib Reference Section to obtain your account (for UP COE Faculty only).

## OPEN-ACCESS RESOURCES

<http://www.engglib.upd.edu.ph/index.php/resources/e-resources/open-access>

Elsevier Open Access offers peer reviewed articles immediately and permanently free for everyone to read and download  
[www.elsevier.com/about/open-access/open-access-journals](http://www.elsevier.com/about/open-access/open-access-journals)

IEEE Open Access offers Hybrid Journals, a Multidisciplinary Open Access Mega Journal, and fully Open Access Journals—all designed to meet the varying needs of our authors throughout their careers for free.  
[www.ieee.org/publications\\_standards/publications/authors/open\\_access.html](http://www.ieee.org/publications_standards/publications/authors/open_access.html)

Philippine Engineering Journal (PEJ) is published by the U.P. Engineering Research and Development Foundation, Inc., and serves as a national medium of exchange of technical information and dissemination of engineering knowledge.  
[www.journals.upd.edu.ph/index.php/pej](http://www.journals.upd.edu.ph/index.php/pej)

More open access resources are available at the EnggLib website.

[www.engglib.upd.edu.ph](http://www.engglib.upd.edu.ph)

Most databases are accessible via UP DilNet connection unless stated otherwise.

To obtain remote access, sign the **Remote Access Agreement Form** which you can get at the EnggLib Reference Sections.

Majority of the subscriptions are available until December 2014.

## E-JOURNALS

[www.EnggLib.upd.edu.ph/index.php/resources/e-resources/subscriptions](http://www.EnggLib.upd.edu.ph/index.php/resources/e-resources/subscriptions)

**ACI Online**, one of the world's leading authorities on concrete technology. [www.concrete.org/general/home.asp](http://www.concrete.org/general/home.asp)

**ACM Digital Library** offers a vast collection of citations and full-text articles on various computing topics from the Association for Computing Machinery [www.dl.acm.org](http://www.dl.acm.org)

**ACS Publications and ACS Legacy Collection** offers materials in the chemical and related sciences published by the American Chemistry Society <http://pubs.acs.org>

**ASCE Online Research Library** provides the most comprehensive source of civil engineering research through American Society of Civil Engineers (ASCE) [www.ascelibrary.org/journals](http://www.ascelibrary.org/journals)

**ASME Digital Library** is the most extensive online resource on mechanical engineering published by the American Society of Mechanical Engineers [www.asmedl.org](http://www.asmedl.org)

**ASTM Standards and Journals** is a trusted source of industry standards and technical information developed by the American Society for Testing and Materials International. <http://bit.ly/TP96bY>

**GREENR (Global Reference on the Environment, Energy, & Natural Resources)** is a new, authoritative online resource that focuses on the academic study of sustainability and the environment. <http://find.galegroup.com/qnr/>

**IEEE Xplore** provides literature in electrical & electronics engineering and computer science published by the Institute of Electrical and Electronics Engineers (IEEE) [www.ieeexplore.ieee.org](http://www.ieeexplore.ieee.org)

**INFORMS PubsOnline** provides professional and scientific publications in the field of operations research (O.R.), management science, and business analytics, published by the Institute for Operations Research and the Management Sciences (INFORMS). <http://pubsonline.informs.org/>

**MIT Computer Music Journal** is about computer music, concentrating on digital sound technologies and application of computing in music, published by the MIT Press. [www.mitpressjournals.org/loi/comj](http://www.mitpressjournals.org/loi/comj)

**Nature Materials** covers topics from materials engineering to structural materials. [www.nature.com/nmat/](http://www.nature.com/nmat/)

**OneMine.org** is a collective online digital library of mining and minerals technical papers [www.onemine.org](http://www.onemine.org)

**SAE International** has eight content-specific journals covering all areas relevant to ground vehicle and aerospace engineering technology. [www.saejournals.org](http://www.saejournals.org)

**SAGE IMechE Journals** cover all aspects of mechanical engineering from Nanoengineering to Sports Engineering; from Rail to Aerospace. [www.uk.sagepub.com/imeche.sp](http://www.uk.sagepub.com/imeche.sp)

**Scopus** is the largest abstract and citation database containing both peer-reviewed research literature and excellent web sources. <http://www.scopus.com/home.url>

**Science Direct** has collections of science, technology, and medicine articles [www.sciencedirect.com](http://www.sciencedirect.com)

**Society for Industrial and Applied Mathematics (SIAM)** is a leading source for applied mathematics and computational science communities. [www.epubs.siam.org](http://www.epubs.siam.org)

**LOCUS** contains every SIAM (Society for Industrial and Applied Mathematics) journal article published from the journal's inception through 1996 [www.epubs.siam.org/page/locus](http://www.epubs.siam.org/page/locus)

**SpringerLink** is an interactive database for Scientific, Technical, and Medical (STM) books, journals, and reference materials. [www.link.springer.com](http://www.link.springer.com)

The Taylor & Francis Science & Technology Library covers current content from over 400 peer-reviewed academic journals, plus a backfile stretching back to 1997. <http://www.tandfonline.com/>

**Wiley Online Library**, a multidisciplinary source of online resources covering life, health and physical sciences, social science, and the humanities. [www.onlinelibrary.wiley.com](http://www.onlinelibrary.wiley.com)

## E-BOOKS

[www.EnggLib.upd.edu.ph/index.php/resources/e-resources/ebooks](http://www.EnggLib.upd.edu.ph/index.php/resources/e-resources/ebooks)

**CRCnetBASE** offers instant access to the world's premier scientific and technical references published by the CRC Press. [www.crcnetbase.com](http://www.crcnetbase.com)

**GVRL** is a database of encyclopedias and specialized reference sources for multidisciplinary research. [www.go.galegroup.com](http://www.go.galegroup.com)

**Wiley-IEEE E-books** provides full-text access to the world's highest-quality technical literature in electrical engineering, computer science, and electronics published by the Institute of Electrical and Electronics Engineers (IEEE). <http://ieeexplore.ieee.org/xpl/books.jsp>

**McGraw-Hill AccessEngineering** offers MGH's engineering collection focused around 15 major areas of engineering. [www.accessengineeringlibrary.com](http://www.accessengineeringlibrary.com) te access available! Contact EnggLib Reference Section

**McGraw-Hill eBook Library** offers access to MGH's premium content to a 3-subject collection – Industrial, Mechanical and Sustainable Engineering. [www.mhebooklibrary.com](http://www.mhebooklibrary.com)

**Springer eBooks** is one of the world's leading interactive databases for Scientific, Technical, and Medical (STM) books. <http://link.springer.com/search?facet-content-type=Book&from=SL&showAll=false>
